Welcome to Bank of Ireland UK

We understand that everyone's banking needs are not exactly the same, so our team aims to help you find the right accounts and services to suit your needs.

This guide forms part of our account opening pack. In this guide you will find details of how we can make it easy for you to manage your money. You will also have received the following brochures which you should read with this guide.

- ▶ Product brochure including terms and conditions
- ▶ Student account charges explained brochure (if you have opened a 3rd level student account)
- ▶ Rates and products – a guide to current rates and products

Besides our current accounts, savings accounts and 24-hour online banking service, we can also provide details on a full range of loans, overdrafts, credit cards and mortgages.

Opening your account

To open an account with us you must fill in an application form. Before we open an account for you, we must check your identity and home address. We may also consult a credit-reference agency to check your address and, if necessary, get information on your financial commitments. The credit-reference agency will keep a record of our search, whether or not your application goes ahead. This record will be available to other organisations that make similar searches and could affect your ability to get credit elsewhere for a short period of time. When you open your account with us we may ask for a banker's reference from your current bank (if any).

Our products and services

- ▶ A debit card that you can use abroad

Business banking

We provide a wide range of business banking products and services. You can get more details from your branch.

365 online, phone and mobile banking

365 online and phone gives you access to your accounts 24 hours a day, 365 days a year, by phone or internet.

365 online (www.365online.com)

Bank of Ireland 365 online lets you carry out a wide range of banking activities online; checking your balance, paying a utility bill, transferring money to other accounts and more. It offers an easy way to manage your account. You can be sure it is safe and private because you need to use a PIN and we use encryption technology (this protects the information sent between you and us so that nobody else can read it).

If you use 365 online, you can:

- ▶ Check your balance and payments into and out of your account;
- ▶ Pay a bill or transfer money (within certain limits and if the money is available in your account) for both domestic and international payees;
- ▶ View details, amend and cancel your standing orders;
- ▶ Look for certain information, such as particular payments, payments made within the last 12 months, all withdrawals from cash machines, and so on;
- ▶ View your statements online and turn off paper statements;
- ▶ Change your address held by us;
- ▶ Notify us of your travel plans for both Visa Debit and credit cards. You must provide us with at least 24 hours notice.

To register for this service visit www.365online.com or call 03457 365 555.

365 phone

When you open an account you will be automatically registered for our 365 phone service to do your banking by phone. The service is easy to use, there are no hidden charges and with our Lo-call number you only pay the cost of a local call if calling from a land line.

You can either use an automated system or connect to an operator who will help you as quickly and simply as possible.

With 365 phone you can:

- ▶ Check how much you have in your account;
- ▶ Check payments that have been made to or from your account;
- ▶ Pay Bank of Ireland UK credit card bills; and
- ▶ Transfer money between accounts.

For more information on 365 phone, call us on 03457 365 555.

Foreign exchange services

If you are travelling abroad we can provide foreign currency. To order foreign currency and for details of exchange rates and charges, just contact your local branch.

International payments

If money is transferred to you by international or 'Telegraphic Transfer', either in sterling or a foreign currency, we will tell you what the original amount was, the date your account was credited and when it was sent. We will also tell you the exchange rate applied if it was converted to a different currency and whether any charges were incurred. Certain types of international transfer may also be known as SEPA transfers, which is a payment made in Euro to a SEPA zone country.

If money is transferred from your account, either in sterling or in a foreign currency, we will tell you what the original amount was, when it was sent and any charges which may apply. We will also tell you the exchange rate used to convert it to a different currency.

Your borrowing needs

You can call on us for all your borrowing needs. You can apply for an overdraft, credit card or loan quickly and efficiently either at your branch, over the phone or online.

Overdraft requests

When you apply for an overdraft or an increase in your overdraft facility we will check your record held by credit reference agencies. If the account is a joint account you must ensure that you have authority from the other party(ies) to check their record held by credit reference agencies. If they ask us to tell them who gave consent to the credit reference check we will do so. If an overdraft is approved, we will disclose details about the conduct of your account to the credit reference agencies and that information will be accessed and used by others. This will include information about the running of the account, such as the limit and balances, as well as payment performance.

Flexibility

If, like many of us, you find that you need extra cash from time to time, our flexible lending service can help in the following ways.

- ▶ By agreeing an overdraft on your current account, to give you flexible short-term borrowing
- ▶ By providing unsecured personal loans designed to help you with more expensive items such as a new car, a holiday, home improvements or new furniture
- ▶ A range of Bank of Ireland UK credit cards.

To find out more about overdrafts, credit cards and personal loans, contact your branch or phone 0800 0850 444.

Mortgages

Getting a mortgage may be the most important financial commitment you will ever make. Please contact your branch to discuss our range of Bank of Ireland UK mortgages.

Please read the important information in the Regulation section of this guide.

Financial assessment

We will work with you to find out how much you can afford to borrow and the most appropriate type of borrowing. To do this we may assess:

- ▶ Your income and financial commitments;
- ▶ How you have handled your money in the past;
- ▶ Information from credit-reference agencies;
- ▶ Information you have provided;
- ▶ Your credit score (a score used to work out the risk of you not repaying the money you borrow); and
- ▶ Any security you can provide.

We recommend that you budget carefully to protect your money against sudden changes in your circumstances.

Banker's reference

We can provide banker's references or responses to 'status enquiries'.

A status enquiry is a request for a bank or building society to give our opinion on a particular customer's ability to meet a financial commitment. When we get a status enquiry we will send a general opinion based on our knowledge of you as a customer. Our response will not contain specific information about your account, and you have a right to see our reply. The content of our response is not a guarantee that we can be held responsible for. We will not reply to status enquiries without your written permission. You must pay our charge for providing a response.

Cooling-off period

If you are not happy about your choice of current or savings account you can close it within 14 days of:

- ▶ The day you enter into the contract; or
- ▶ The day on which you receive the contract terms and conditions and other information; whichever is later.

This 14-day period is known as the 'cooling-off period'. It does not apply to:

- ▶ An account or contract for financial services where the price has risen or fallen during the 14-day period.

If you want to cancel an account within the 14-day cooling-off period you should write to your branch.

When you cancel an account in the cooling-off period we will give you all your money back with any interest it has earned. If the account conditions state that you have to give notice to close the account, during the cooling-off period that condition will not apply. You will not have to pay any extra charges that normally apply when you close the account without giving notice. When you close the account you will have to pay us any amounts you owe us, including interest and charges.

If you want to close your account after the cooling-off period you may have to pay charges.

How our accounts work

Opening hours

Our branches are generally open Monday to Friday (except bank holidays) between 9.30am and 4.30pm. On Wednesdays we are open from 10am to 4.30pm. However, there are specific cut-off times for providing different types of instructions. You can check these in the 'Transaction Information Box' on page 18 of this brochure.

Bank of Ireland 365 offers you the convenience and flexibility to do your day-to-day banking online or by phone at any time or in any place that suits you. For more details visit www.365online.com or call 03457 365 555.

If you are interested in extra products, phone our Sales Team on 0800 0850 444. Their opening hours are Monday to Friday (except bank holidays) between 9am and 8pm, and between 10am and 2pm on Saturdays.

Telling us about changes

You must tell us about any change to your name, address or phone number (or your contact address if this is different from your home address). To tell us about any changes, log in to 365 online (www.365online.com) or write to your branch.

If you change your name, we will need to see documentation as evidence of this.

Fees and charges

When you become a customer we will give you details of the day-to-day costs for running your account. You can get details of our up-to-date fees and charges by calling 0345 6016 157 or by visiting our website at www.bankofireland.co.uk. Details are also given in the following brochures.

- ▶ Personal Current Accounts – Personal current account charges explained leaflet
- ▶ Student Current Account customers – Student account charges explained leaflet
- ▶ Schedule of service charges for personal customers - Northern Ireland

Details of charges for business accounts are given in the 'Schedule of Charges for Business Customers NI' leaflet.

You can get copies of these brochures from any branch or by visiting www.bankofireland.co.uk/bank-of-ireland-group/rates-and-fees.

If we increase any of the charges for the day-to-day running of your account, we will write to you about this at least 60 days before the increase takes place.

Residency

When you open a new account with us or update your details on an existing account we may ask you about your residency for tax purposes. From 1st July 2014 we must collect this information to comply with UK legislation that supports the agreement entered into by the UK Government with the US in relation to the Foreign Account Tax Compliance Act (FATCA) and other similar agreements to share tax information entered into or that may be entered into by the UK Government with other countries. The legislation is aimed at preventing international tax evasion and currently may impact UK current or savings account holders who are either citizens or tax residents of the US, Gibraltar or the Crown Dependencies*.

We will report details of relevant accounts to HMRC annually.

*Crown Dependencies: Isle of Man, Guernsey, Jersey

For any additional information please go to <http://www.hmrc.gov.uk/fatca/>

Customers resident in the Republic of Ireland

If your address is in the Republic of Ireland and you use any card issued on your account at any time during the year, you may be liable for the annual Irish Government Stamp Duty. If you are liable, we will debit the sterling equivalent of this tax directly from your account.

More information is available on the Irish Tax & Customs website www.revenue.ie/en/tax/stamp-duty/leaflets/stamp-duty-financial-cards.html

Interest

When you become a customer we will give you information on the interest rates that will apply to your account and when we will take it from or pay it to you. You can get information on the most up-to-date interest rates by contacting your branch or on our website at www.bankofireland.co.uk/bank-of-ireland-group/rates-and-fees

If you ask us, we will give you a full explanation of how we work out interest.

Telling you about charges and interest on your account

We will tell you about any day-to-day running charges or interest we are going to take from your account at least 14 days before we take it.

Changes in interest rates

When we change the interest rates on your account we will update the information in our branches and on our website within three working days. We may place notices in newspapers, usually The Irish News, the Belfast Telegraph and Newsletter, or we will write to you personally.

To help you compare rates more easily, the old rate will also be shown on our website and newspaper notices.

Set off

If you have any other account with us that is in credit we can transfer money from that account to any other account (including a joint account) that you hold with us that is overdrawn or otherwise in default.

Statements

Your statement will show you every payment to and from your account. We will send it directly to the permanent address you have given us, usually every three months. You can ask us to send you statements more often, but we may charge for this. Please see our 'Schedule of service charges for personal customers - Northern Ireland' leaflet for details.

How often we send statements on our savings account is set out in the specific terms of the account you choose. If you are a 365 online customer, you can now choose to switch to eStatements on selected accounts in your 365 online profile.

You should always check your statement. If your statement shows any payment which seems to be wrong, you should tell us as soon as possible so that we can investigate it for you.

Monthly pack – pre-notification of charges

We will tell you about the following charges before we take them from your account.

- ▶ The informal overdraft request fee
- ▶ The unpaid transaction fee
- ▶ The paid transaction fee

If you have to pay any of these charges, each month we will send you a pack that will contain the following information.

- ▶ A summary of the charges that arose in the previous month, what each charge is for, the date the charges arose, and when we will take the charges from your account.
- ▶ If you have to pay an informal overdraft request charge, we will tell you what payment the charge relates to and whether we agreed to or refused to make the payment.
- ▶ A monthly account summary, which shows all the payments to or from your account in the previous month.
- ▶ 'Your charges explained' leaflet, which gives more information on how and when charges arise and how much they are.

Annual summary pack

If you have paid overdraft interest or charges, once a year we will send you a summary of all the charges and interest on your account for the previous 12 months.

The summary pack will contain the following.

- ▶ Details of all the overdraft charges or interest taken from your account or interest paid to your account.
- ▶ Details of interest or overdraft charges (or both) we have refunded to your account.
- ▶ 'Your charges explained' leaflet, which gives more information on how and when charges arise and how much they are.

The summary pack will not include any service charges taken from your account. Please see our 'Schedule of service charges for personal customers' leaflet for details of these charges. Our current charges are shown on page 7 of this guide.

Your annual summary pack is usually posted to you in January. However, if you would like a summary statement of interest and fees, this can be provided to you on request from your branch.

Payments to your account

For your convenience we recommend that your employer pays your salary directly into your current account. You can also use the paying-in slips at the back of your chequebook, or your paying-in book, to pay cheques into your account by post. You need only one payment slip for any number of cheques paid into one account at the same time. You cannot pay one cheque (or more) to more than one account.

You can only pay in cheques that are made out to you. We can refuse to accept a payment into your account, or refuse to open an account without giving you any reason.

Payment instructions

If, after we have accepted your instruction to make a payment, you then instruct us to cancel it and we are able to do so, you will have to pay a charge which we will take from your account. However, if the payment has

already left your account, you will not be able to cancel it.

We may refuse to make a payment from your account if there are not enough cleared funds available, or your account balance is over an agreed overdraft limit.

Credit Transfers

You can make a cheque lodgement to your account by credit transfer through another Bank of Ireland UK branch.

Cheque lodgements made at a Bank of Ireland UK branch counter will be credited to your account on the following business day. However, cheques lodged through a self-service Bank of Ireland UK Lodgement ATM will be credited to your account on the same business day.

Bank of Ireland UK Lodgement ATMs are available in many Bank of Ireland UK branches. Please ask for further details at any branch.

Standing orders

A standing order is a written instruction from you to pay a fixed amount from your account at regular intervals (every week, month, three months or year). The account the amount is paid into can be anywhere in the UK. It is a useful way to make regular fixed payments such as rent or loan repayments. To cancel or change the standing order you must tell us in writing. We must receive your instruction before the date the next payment is due to be paid. Alternatively you can view details, amend and cancel your standing orders by logging in to 365 online (www.365online.com).

Direct debits

A direct debit is different to a standing order because you authorise someone else ('the originator') to take a payment from your account. The amount can be different each time if necessary. It is a very convenient way to take care of regular payments like phone, gas or electricity bills. If the amount of the payment changes, the originator (company taking the payment) will tell you this beforehand. You can cancel a direct debit at any time up to the date of a payment. If you want to stop a direct debit you must write to the originator and to us.

The Direct Debit Guarantee protects you if a direct debit you have not authorised is taken from your account. If the originator wrongly takes a payment from your account we will refund it as soon as you tell us about it.

ATMs

You can make a cash withdrawal in Euros from your account using your Bank of Ireland UK Cash card or Debit Card at Bank of Ireland ATMs in the Republic of Ireland. These withdrawals will be converted to sterling at the cash buying rate.

Cash withdrawals using your Bank of Ireland UK Cash card or Debit Card made at a Bank of Ireland ATM in the Republic of Ireland will be converted to sterling at the cheque buying rate.

Ask any branch for further details or rates applicable.

Recurring or Continuous Payment Authority (CPA) payments

This is a regular card payment when you give your credit or debit card details to a company and authorise them to take regular payments from your account, such as for a gym membership, magazine subscription or short term (payday) loan. These payments are often confused with direct debits, but do not offer the same guarantee if the amount or date of the payment changes.

Cancelling a Recurring or Continuous Payment Authority (CPA) payment

It should be possible to cancel these payments by telling the company taking the payments. However we recommend that you give the instruction to cancel in writing. You should also cancel them with the bank by confirming that you have stopped permission for the payments. Be aware that you will still be responsible for paying any money that you owe.

Cheques

If you do not sign cheques we may not pay them and you will have to pay us a fee.

On the cheque you should clearly write the name of the person or organisation you are paying.

We keep original cheques paid from your account for six years.

We can give you a copy of a cheque if you need it. If, within a reasonable period after we have paid the amount of a cheque, there is a dispute with us about that cheque, we will give you a copy of the cheque as evidence. If we unreasonably delay in doing this, we will pay the amount of the cheque back into your account until we have settled the dispute with you.

Stopped cheques

After you have given someone a cheque, you can ask us not to pay it. You should immediately stop any cheque that is lost or stolen. You can stop a cheque in several ways.

- ▶ By writing to us
- ▶ By calling into your branch
- ▶ By faxing or phoning your branch or through 365 phone

If you decide to stop a cheque you must give us as much notice as possible as a cheque cannot be stopped once it has been paid.

We must receive your instructions by 12 noon on the day after the cheque has been presented to your account.

You may have to pay us extra fees.

Payments from your account

You should ensure that you have sufficient cleared funds or agreed overdraft facility on your account when you write a cheque or when a Standing Order (SO) or Direct Debit (DD) or Future Dated Payment (FDP) is due to be paid.

If there are insufficient funds/overdraft available on your account on the morning when a SO, DD or FDP is due, we will try to make the payment again after 2pm the same day. This means that you have until 2pm that day to pay in enough money to ensure that the payment is made and any overdraft charges are avoided.

If a SO cannot be paid on the due date because of insufficient funds/overdraft, we will try to pay it again the next day and for some SOs, for example, to loan accounts, up to 6 days after the due date. Cheques and DDs

may be re-presented by the payee/originator any time after the due date.

Cleared Funds

Not all lodgements to your account will clear immediately. Please see the “When money is available – the clearing cycle” section below.

Telling you about payments we have not made

If we need to tell you that we have not paid the amount of a cheque or other items (such as a standing order), we will do this by letter, charge summary statement or by phone. You may have to pay us extra fees.

We may refuse to make a payment from your account in the following circumstances.

- ▶ If you do not have enough funds available in your account. Please see the ‘Personal current account charges explained’ brochure for the current charges that apply to unauthorised overdrafts
- ▶ If you have given us unclear, incorrect or incomplete instructions
- ▶ If you have broken any condition of your account
- ▶ If we suspect fraud or any other illegal activity
- ▶ If we believe that your financial situation is significantly worse than it has previously been
- ▶ If we have any legal or regulatory reason
- ▶ If we consider that our business reputation may be damaged.

In the majority of cases we will tell you that we haven’t made a payment as requested. We will do this in a variety of ways depending on the nature of your account and the type of payment.

- ▶ Card transactions – by displaying a message on the ATM or other point of sale payment terminal immediately;
- ▶ Cheques - details will be notified to you on the Charges Summary statement that you receive when a cheque has been returned unpaid. Related charges will be displayed on your bank statement;

- ▶ Direct debits and standing orders – by displaying related charges on your bank statement and by written notice;
- ▶ For other payment types (e.g. telegraphic transfers) – by contacting you directly to advise you that the payment request has been refused.

You may ask us details of any payments we have refused to make, the associated charges and our reason for refusing to make the payment by contacting your local branch.

Crossed cheques

Bank of Ireland UK cheques are ‘crossed’ (have ‘Account Payee’ written down them). This means that the amount of the cheque can only be paid into the account of the person you made it out to.

Crossed cheques are designed to prevent fraud. However, the protection provided may not be recognised in other countries. It will also help prevent fraud if you clearly write the name of who the payment is to and put extra information about them on the cheque, for example, account number or reference number.

This is most important if you are not personally paying a cheque in (for example, because you are sending a cheque by post).

Post-dated cheques

You must not issue post-dated cheques (that is, cheques with a future date on). If you put a future date on a cheque we may still pay it before the date on the cheque. If this happens, we will not pay you for any loss that you suffer as a result.

Out-of-date cheques

If the date on a cheque is more than six months old, we may not pay it.

When money is available – the clearing cycle

This clearing cycle for cheques relates to sterling cheques that are paid into branches in the UK.

In this section we refer to working days. A working day is Monday to Friday except bank holidays.

If you pay a cheque into your account at your own branch, it will be shown on your bank statement on the same day (day 1). However, we have to collect the payment from the account of the person or business that gave you the cheque. The process of collecting that payment is known as 'clearing' the cheque.

Cheques from accounts at the same branch

If you pay in a cheque that is from the same branch you have your account at, it will be included in your balance, for the purpose of working out interest, on the same day (day 1).

The amount of the cheque will usually be available for you to withdraw or spend two working days later (day 3). However, it can take up to six working days (until day 7) for the cheque to be returned unpaid.

Cheques from accounts at another Bank of Ireland UK branch in Northern Ireland

The amount of the cheque will be included in your balance, for the purpose of working out interest, the working day after you pay it in (day 2).

The amount of the cheque will usually be available for you to withdraw or spend four working days later (day 5). However, it can take up to six working days (until day 7) for the cheque to be returned unpaid.

Cheques from accounts at other Bank of Ireland UK branches in Great Britain or another bank in the UK

The amount of the cheque will be included in your balance, for the purpose of working out interest, two working days after you pay it in (day 3). However, the amount will not be available yet as we will not have collected it from the account of the person or business that gave you the cheque.

The amount of the cheque will usually be available for you to withdraw or spend four working days later (day 5). However, it can take up to six working days (until day 7) for the bank the cheque is from to return it unpaid.

Amounts paid in at other banks or branches to your Bank of Ireland UK account held in Northern Ireland

When you pay an amount in at another bank or another Bank of Ireland UK branch, it takes at least one extra working day to get to your account (day 2 rather than day 1). The value will be included in your balance, for the purpose of working out interest, on the next working day (day 3).

The amount of the cheque will usually be available to withdraw or spend four working days after your account is updated (that is, on day 5). However, it can take up to six working days from the day your account is updated (until day 7) for the bank the cheque is from to return it unpaid.

Cheques you write from your account in the UK

When you write a cheque, the full amount could be taken from your account on the same day if the person or business you have given the cheque to has their account at the same branch as you, or the next day if their account is at another bank or branch.

Paying amounts in at the Post Office®

You must be registered for paying cheques in at the Post Office and use special pre-printed envelopes. Please ask us for details of how to register for this service and get a supply of the special envelopes.

Cash paid in using your cash card

If you pay the cash in before 4.30pm on a working day, it will reach your account on the same working day. If you pay the cash in after 4.30pm, or on a Saturday, it will reach your account on the next working day.

Cash paid in using a lodgement book, or personalised lodgement slip

The cash will reach your account on the next working day.

Cheques paid in at the Post Office®

We receive the cheque on the next working day, so the clearing cycle set out above for

cheques is increased by one working day. (You must be registered for paying cheques in at a Post Office®.)

If there is a delay in the Post Office® sending the cash or cheques to us, the payment may take longer than we set out above to reach your account.

Automated payments (payments made electronically from one bank to another)

Automated payments to or from other banks (including by phone and online banking)

All payments you instruct us to make from your Account will be credited to the beneficiary bank within one Business Day following the date of receipt of the Payment Order. Please refer to the Transaction Information Box on page 18 for further details.

Automated payments to or from another Bank of Ireland UK account (including by phone or online banking)

Payments you make to another Bank of Ireland UK account over the phone or online are taken from your account on the date you give us the instruction. They are paid to the other account immediately.

Debit cardholders

Your balance shown on your regular statement may not take account of any debit card transactions (payments or withdrawals) that you may have made while the statement was being produced.

This is because retailers have to send us a 'clearing file' for a transaction, and your statement may have been produced before we receive this file. In these circumstances you may not be able to withdraw the entire balance shown on your statement.

Running your account

Joint accounts

If two or more people hold the account as joint account holders, you authorise us to accept

instructions from any one of you unless you tell us otherwise when you open the account. If you have authorised us to accept instructions from any one of the joint account holders, any one of you can withdraw the entire balance held in the account. If there are two or more account holders, the account holders are liable together, but also as individuals, for any money owing, including any overdraft or other debt. If you want us to send all account holders separate bank statements, please fill in the relevant section on the application form.

There are a number of requests in relation to changes to your joint account that require authority from both or all parties to the joint account:

- ▶ Request to change address
- ▶ Changing the frequency of receipt of bank statement
- ▶ Requests to add a third party as a signatory on the account
- ▶ Request to close the account.

Protecting your accounts

You must take care of your chequebook, cards, PINs, passwords and personal information to prevent fraud and protect your accounts.

To help prevent fraud and protect your account you should do the following.

- ▶ Let us know as soon as possible if you change your name, address, phone number or e-mail address.
- ▶ Check your statement or passbook regularly. (If there is a payment that seems to be wrong, you should tell us as soon as possible.)
- ▶ Sign any cash card, debit card and credit card as soon as you receive it.
- ▶ Always take reasonable steps to keep your card safe and your PIN secret. You must not tell your PIN to anyone or let anyone else use your card.
- ▶ If you write down your PIN try to record it in a way that will not be recognised by others.
- ▶ Destroy the slip telling you your PIN as soon as you receive it.
- ▶ Keep receipts safe or destroy them carefully.

- ▶ Take care when storing or destroying information about your accounts. People who commit fraud get your information in many ways, such as going through bins. You should take simple steps such as shredding printed information.
- ▶ Your post includes valuable information which could be used to commit fraud if it were in the wrong hands. If you don't receive a bank statement, card statement or any other expected financial information, contact us.
- ▶ If you change the PIN we give you, choose your new PIN carefully.

The Bank of Ireland - 3D Secure Service

Bank of Ireland 3D Secure is a fraud prevention service to protect your Debit Card details when purchasing goods and services online from any retailer participating in the service. The service is provided by Visa through the Verified by Visa service.

During the purchase of goods/services from participating retailers, you will be prompted to register for 3D Secure. You will be asked to input some personal details to confirm your identity. Once this information is verified, you will be asked to create a password, known as your 3D Secure Password. You must keep your personal information safe at all times.

After registering, when you use your card online with participating retailers, you will be asked to enter your 3D Secure Password to confirm your identity.

If you forget your 3D Secure Password you can create a new one by clicking on the 'Forgot your Password' link during the shopping process. For security reasons you will be prompted to input some personal details to verify your identity.

If you enter your 3D Secure Password incorrectly three times or if we are otherwise unable to verify your identity, the transaction could be declined.

Once you have registered for 3D Secure, you will not be permitted to cancel that registration.

The service is an extra security feature of

your card and is not intended to replace any security obligations in the Terms and Conditions of your Debit Card. Should your card expire or otherwise be cancelled, you will need to register each and every future card separately for this service. Online banking is safe and convenient as long as you take a number of simple precautions. Please make sure that you follow the advice given below.

- ▶ Keep your computer secure. Use up-to-date anti-virus and spyware software and a personal firewall.
- ▶ Keep your password and PINs secret.
- ▶ Treat e-mails you receive with caution and be wary of emails or calls asking you to provide any personal security details. We will never contact you to ask you to reveal your online banking or payment card PINs, or your password.
- ▶ When you are going to internet banking sites, always type the web address into the browser. Never go to these sites using a link in an email you receive.

You must tell us immediately if you suspect or discover that:

- ▶ Your chequebook or card has been lost or stolen; or
- ▶ Your card is used in an unauthorised or irregular manner; or
- ▶ Someone else knows your PIN, password or security information.

If your card has been lost or stolen or someone else knows your PIN, password or personal security information, you must call our 24-hour emergency number immediately (see page 16).

Liability for losses

Unless we can show that you acted fraudulently or that you authorised the use of your card by someone else, your liability for misuse of your card will be limited as follows:

If the misuse occurred:

- ▶ Before you received your card;
- ▶ After you notified us of loss, unauthorised use or that the security features might be known to someone else;

- ▶ As a result of the card details being used by someone else but the card was not lost or stolen (for example the card was “cloned” or “skimmed” when you used it in an ATM or payment machine);
- ▶ As a result of the card details being used by someone else to make a payment by phone or on line; you will not have to pay anything.

Otherwise, your liability is limited to £50 of any other losses EXCEPT where the loss results from unauthorised use of a debit card on an account with a credit balance and you have failed with intent or gross negligence:

- ▶ To keep the card or PIN safe,
- ▶ To use the card in accordance with the terms and conditions, or
- ▶ Notify us of the loss or theft or that someone else might know your security information.

In such a case your liability will be limited to the credit balance available on your account during the period of unauthorised use.

Changing your PIN

You can change your PIN to one that you find more suitable. You can choose a new four-digit PIN at any ATM which offers this service. You will need to follow the instructions on screen. If you need more information about changing your PIN, contact your branch.

Security at cash machines

The following guidelines will help to keep you safe, and your money secure, when you use cash machines.

Choosing a cash machine

- ▶ Be aware of others around you. If someone close by the cash machine is behaving suspiciously or makes you feel uncomfortable, choose another machine.
- ▶ If there is anything unusual about the cash machine or there are signs of tampering, do not use the machine and immediately report it to the bank or the owner of the premises the machine is in.

Using a cash machine

- ▶ Give other users space to enter their PIN in private. We recommend standing about two metres away from the user in front of you

until the person has finished. Some cash machines may have a safety zone marking out this area on the ground around the machine.

- ▶ Be aware of your surroundings. If someone is crowding or watching you, cancel the instruction and go to another machine.
- ▶ Do not accept help from well-meaning strangers and never allow yourself to be distracted.
- ▶ Stand close to the cash machine and always shield the keypad to avoid anyone seeing you enter your PIN.

Leaving a cash machine

- ▶ Once you have used a cash machine, discreetly put your money and card away before walking away.
- ▶ If the cash machine does not return your card, report this to your bank immediately.

You can submit your complaint online through the ODR platform in any of the official languages of the European Union. The platform will then send your complaint to the Financial Ombudsman Service for an independent review within 90 days.

Closing your account

If you want to close your account you must tell us in writing. We will not close your account until you have:

- ▶ Returned all unused cheques; and
- ▶ Made all payments due out of your account and paid any interest, charges and other amounts you owe.

Unless there are exceptional circumstances, such as suspected fraud, we will not close your account without giving you at least two months' notice. We have the right to close your account if you fail to keep to any of the terms and conditions that apply to it, if you fail to repay money when it is due, or you or any joint account holder becomes insolvent (cannot pay their debts).

If we give you notice that we are closing your account, or if you request your account to be closed, we will immediately withdraw any overdraft and demand that you immediately repay all amounts you owe.

If you do not pay the full amount you owe, or make a payment arrangement with us, within an agreed period of us asking you to, we will tell credit-reference agencies. Before we do this we will give you at least 28 days' notice in writing.

Closing a joint account

Requests to close or switch a joint bank account must be authorised by both or all parties to the account.

If any account holder ceases to be a party to the account (except in the case of a deceased party), the account must be closed and a new account opened in the name(s) of the remaining party/parties. All unused cheques held by the account holder who will no longer have any dealings with the account must be returned to us. If we are told about a dispute between the account holders, we will suspend the account until all account holders confirm that the dispute has been settled, or you give us a new application signed by all account holders. While the account is suspended, we will only allow you to use the account if all account holders sign the relevant instruction.

¹Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

²General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum of £85,000 per bank, building society or credit union. This

means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names.

Bank of Ireland (UK) plc also trades under Bank of Ireland UK, Post Office Money and AA Savings. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as “temporary high balances” are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- a) Certain transactions relating to the depositor’s current or prospective only or main residence or dwelling;
- b) A death, or the depositor’s marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- c) The payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under www.fscs.org.uk

³Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating

expenses (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under www.fscs.org.uk.
